Belt & Road Initiative

As Australia frets about Chinese influence, local officials tout Belt and Road Initiative, 23/10/2019

While Australia's federal government has cast a critical eye on Chinese investment – declining to sign on to the Belt and Road Initiative and blocking Chinese bids for involvement in the country's 5G and electricity networks – some individual states and territories are laying out the welcome mat, shrugging off concerns among national policymakers about Beijing's strategic ambitions.
