## Belt & Road Initiative

**China pledges to build 'Polar Silk Road' by 2025 to tap natural resources**, 6/3/2021

China is set to construct the "Polar Silk Road" and is actively participating in the development of polar regions. According to the plan, China intends to "participate in pragmatic cooperation in the North Pole", in a bid to "raise its ability to participate in the protection and utilisation of the South Pole".
