German Tech Firm Merck to Invest US\$693 mln in S. Korea by 2025, 8/10/2021

China's pledge to stop building overseas coal plants leaves Asian countries with more questions than answers, 9/10/2021

President Xi Jinping's pledge for China to stop funding overseas coal plants has cast doubt on the fate of nearly 70 coal-fired plants from Indonesia to Vietnam. But while coal-reliant Southeast and South Asian countries grapple with how to meet growing energy demands, China's move is a further nudge towards greener sources.
